

FOR IMMEDIATE RELEASE, May 20, 2026

CASE NORTON, Candidate for U.S. House in Georgia's 7th Congressional District — I'd first like to congratulate my challenger, Tony Kozycki, on his campaign moving forward in the runoff election in June. We look forward to continuing this race and showing voters in GA-07 that Congress is ready for a working-class, blue collar representative.

This experience has been the blessing of a lifetime, and I am eternally grateful for the support we've received over the past 10 months. I am forever changed for the better and look forward to continuing the efforts to ensure democracy reigns once more.

I'd like to thank my amazingly supportive wife, Jacquie, for helping me keep my sanity all these months, for being my biggest supporter, and for being my best friend in both this experience and in my life. To our amazing volunteers and supporters, we couldn't have done this without you. And to my children, Daddy's just getting started!
